Introduction

“CBRockstar” is a software for ClickBank affiliate marketers. With it, CB Affiliates can:

- Quickly Generate an Affiliate Link.
- Quickly Generate “Buyer” Keywords for the product that you’d like to promote (Buyer Keywords convert better than regular keywords). You can use these keywords under PPC search engines, YouTube videos (Titles, Tags), SEO Tags etc.
- Quickly Export the Keywords of Your Choice (Buyer Keywords and/or others), including a tracking link (that allows you to quickly identify which keywords are bringing your traffic and sales).

Getting Started...

Using the software is very easy. Once you open the software, you’ll see something like this:

The screenshot displays the CBRockstar software interface. At the top, there are two input fields: "Your ClickBank Affiliate ID:" and "Vendor Product ID:". Below these is a section for "Your Affiliate Link:" which contains a yellow box with the text "Not Available Yet" and a "Copy" link. The main section is titled "Buyer Keywords Generator". It includes a "Product Name:" input field and a "Generate Buyer Keywords" button. Below this is a "Keywords:" section with a large text area and two links: "Copy" and "Save as .CSV". At the bottom of the interface is a "Close" button.

Creating a ClickBank Affiliate Link

To create a CB affiliate link just enter your ClickBank affiliate ID (you Can get it from Your CB Account)... Then Enter the ClickBank vendor ID And finally click “Copy” to copy your affiliate link to the clipboard.

The screenshot shows a form with three sections. The first section, 'Your ClickBank Affiliate ID:', has a text input field containing 'yourcbaffid' and a blue arrow pointing left with the number '1'. The second section, 'Vendor Product ID:', has a text input field containing 'productid' and a blue arrow pointing left with the number '2'. The third section, 'Your Affiliate Link:', features a yellow highlighted box containing the URL 'https://hop.clickbank.net/?affiliate=yourcbaffidvendor=productid' and a blue arrow pointing down with the number '3' next to a 'Copy' button.

Creating Buyer Keywords

If you want to promote a ClickBank product, targeting “Buyer Keywords” (through PPC, YouTube Videos etc)... Can bring you better conversions Than regular keywords.

To generate buyer keywords, just enter the product name and click “Generate Buyer Keywords”:

The screenshot shows a 'Buyer Keywords Generator' window. It has a 'Product Name:' field with 'Product X' and a 'Generate Buyer Keywords' button. Below the button is a 'Keywords:' section with a list of generated keywords: 'Product X', 'Product X review', 'Product X opinion', 'Product X bonus', 'Product X review and bonus', 'is Product X legit?', 'Product X scam', 'Product X tutorials', 'Product X discount', 'Product X coupon', and 'Product X demo'. To the right of the list are 'Copy' and 'Save as .CSV' links. A red arrow points from the 'Generate Buyer Keywords' button to the list. Overlaid on the list is red text: 'Instantly Generate "Buyer Keywords" For the Product That You Want To Promote.' and a grey text tip: 'Tip: Buyer Keywords Convert Better Than Others.' At the bottom is a 'Close' button.

Saving Your Keywords

There are 2 options here:

- Copy: Copies the keywords to the clipboard.
- Save as .CSV: Saves all the keywords as a .csv file for Excel.

Comment: If you save them as a .csv file, the software will generate a tracking code for each keyword so you can easily know which keyword is getting traffic and sales.

Automatically Create Tracking Codes For Your Keywords:

Generate Buyer Keyword

Copy Save as .CSV
