

# Please Read

This website is valid for both versions of “Productivity Magic” (Standard or PRO), no matter if you’ve purchased the PRO version or not.

The website folder includes the following pages:

Index.html: The main sales page. download-main.html: This is the download page for those who buy Productivity Magic standard.

## **Did You Also Purchase Resale Rights to the PRO Version?**

If you’ve purchased resale rights to the “PRO” version of the software, you can also use the following webpages:

Upsell.html: You can use it to sell the PRO Version.

Download-pro.html: This is the download page for those who buy the “PRO” version.

Instructions:

- It’s recommended to rename the download pages. If you do it, please preserve their extension (.html).
- You need to add your buy button to index.html and to upsell.html (if you’ve purchased resale rights to the “PRO” version).
- When setting up your order button (PayPal, JVZoo etc), make sure to enter the path to your download page.

You can upload it to your root domain (example: something.com), or to a sub-folder (example: something.com/plr2wp).

- Please also upload the following files to your website:

1) ProductivityMagic1.4Setup.msi

*(and ProductivityMagicPro1.4Setup.msi if you've purchased resale rights to the PRO version).*

2) usermanual.pdf (and usermanual\_pro.pdf if you've purchased resale rights to the PRO version).

If you need help with something, please contact us.
